

# Mandant ändern & abmelden

Um den Mandanten zu ändern oder sich abzumelden, klickt man auf "LotzApp":

The screenshot shows the 'LotzApp' interface with a red header bar containing the app name and the word 'Inventur'. Below the header is a navigation bar with three tabs: 'Erfassen' (highlighted), 'Abschließen', and 'Übersicht'. The main content area is titled 'Inventurtyp wählen' and contains a vertical list of seven white buttons with black text: 'Inventur', 'Bruch', 'Vernichtet', 'Verderb', 'Sonstiges', 'Werbung', and 'Eigenverbrauch'. The background of the main area has a light gray geometric pattern.

This screenshot shows the same 'LotzApp' interface, but the main content area now displays two white buttons with black text: 'Mandant ändern' and 'Abmelden'. The header and navigation bar remain the same as in the previous screenshot.
